**JOINT MOTION FOR MODIFICATION OF SCHEDULING ORDER**

Pursuant to Federal Rule of Civil Procedure 6(b), Plaintiff AstroPower Liquidating Trust, f/k/a AstroPower, Inc. ("Plaintiff") and Defendant KPMG, LLP ("Defendant") (collectively, the "Parties"), file this Joint Motion for Modification of Scheduling Order and, in support, show:

1. On September 10, 2007, the Court entered the Rule 16 Scheduling Order (D.I. 26) ("Scheduling Order").
2. The Scheduling Order provides, *inter alia*, that:
  - Exchange and completion of interrogatories, identification of all fact witnesses, and document production shall be commenced so as to be completed by May 16, 2008.
  - The Parties shall make all disclosures required by Fed. R. Civ. P. 26(a)(2)(A)-(B) regarding expert witnesses offered by either Party on an issue on which that Party has the burden of proof by June 13, 2008.
  - The Parties shall make all disclosures required by the above-referenced rules regarding expert witnesses offered by either Party on an issue on which that Party does not have the burden of proof by July 18, 2008.
  - The Parties shall complete all discovery pertaining to expert witnesses by September 12, 2008.

- Any case dispositive motions, pursuant to the Federal Rules of Civil Procedure, shall be served and filed with an opening brief on or before November 7, 2008.

3. The Parties have served requests for the production of documents and are working together to exchange documents.

4. In the course of the initial round of discovery, it has become apparent to the Parties that, due to the extraordinary volume of documents and the fact that many of these documents are electronically stored, the Parties will need more time than originally expected to complete the production of documents. Further, given the number of depositions the Parties anticipate taking, additional time to complete fact discovery is also required.

5. The Parties agree that a modification of the current scheduling order deadlines is necessary to provide the parties adequate time to complete written discovery, designate experts, complete the substantial number of depositions anticipated to be taken, prepare dispositive motions and/or mediation, and complete all pre-trial disclosures.

6. Accordingly, the Parties request that the Court:

- extend the deadline for the exchange and completion of interrogatories, identification of all fact witnesses, and document production deadline to August 1, 2008;
- establish a deadline of December 19, 2008 for the completion of all fact depositions;
- extend the deadline for all disclosures regarding expert witnesses offered by either Party on an issue on which that Party has the burden of proof to January 30, 2009;
- extend the deadline for all disclosures regarding expert witnesses offered by either Party on an issue on which that Party does not have the burden of proof to March 6, 2009;
- extend the deadline for the Parties to complete all discovery pertaining to expert witnesses to May 1, 2009; and
- extend the deadline to file any case dispositive motion to June 26, 2009.

7. Therefore, the Parties move the Court to enter the Amended Rule 16 Scheduling Order attached to this Motion as Exhibit A. A document comparison of the Scheduling Order and the proposed Amended Scheduling Order is attached hereto as Exhibit B.

8. Trial in this matter has not yet been scheduled.

Wherefore, for the foregoing reasons, the Parties requests that the Court enter an Order amending the current Rule 16 Scheduling Order as set forth in Exhibit A and granting such other and further relief as the Court deems appropriate.
